

UiPath Academy

Online enrolment for Academic Alliance students

Please follow the enrolment steps below before clicking any courses' deep links. Your diligence in following them ensures having a proper learning experience.

At the end of each course, a diploma will be automatically generated for you.

- Open <https://academy.uipath.com> and click **Login/ Sign up** in the upper right corner.

The screenshot shows the UiPath Academy website. At the top, there is a navigation bar with links for Home, Courses, Learning Plans, Resources, and Contact. A globe icon and a 'Login/ Sign up' button are in the top right corner. The main content area features two large cards. The first card is titled 'RPA Starter' and includes the text 'First time on UiPath Academy? Start here to learn the basics of RPA, UiPath, and see an overview of UiPath products in action.' It also indicates '1 Course' and has a video player with a play button and a progress bar showing '0:00 / 1:05'. A 'Start Learning >' link is at the bottom right of the card. The second card is titled 'Product Training' and includes the text 'Here's where you'll learn to use UiPath to plan, build, manage, run, and measure automations.' It indicates '41 Courses' and has a video player with a play button and a progress bar showing '0:00 / 1:01'. A 'Start Learning >' link is at the bottom right of the card.

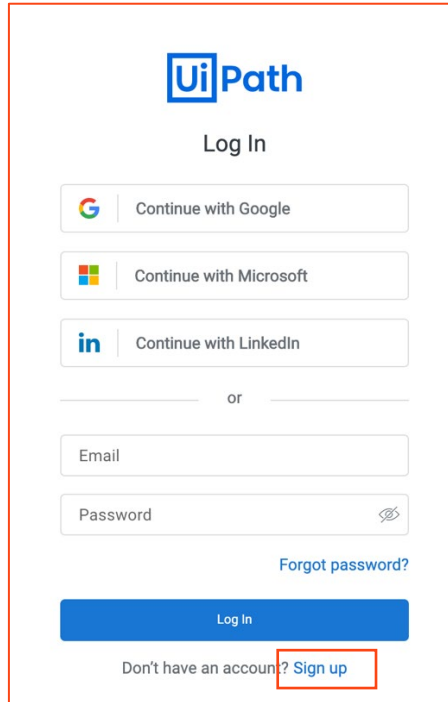

If you **don't have** a UiPath Academy account click [here](#)

If you **already have** a UiPath Academy account click [here](#)

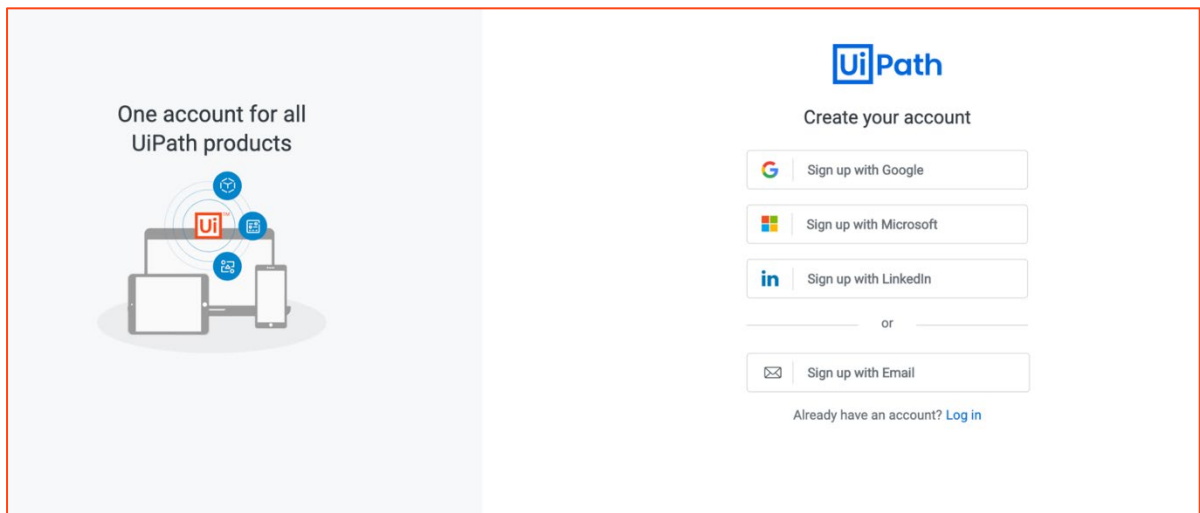

If you don't have a UiPath Academy account

Step 1: Click on the **Sign up** button.

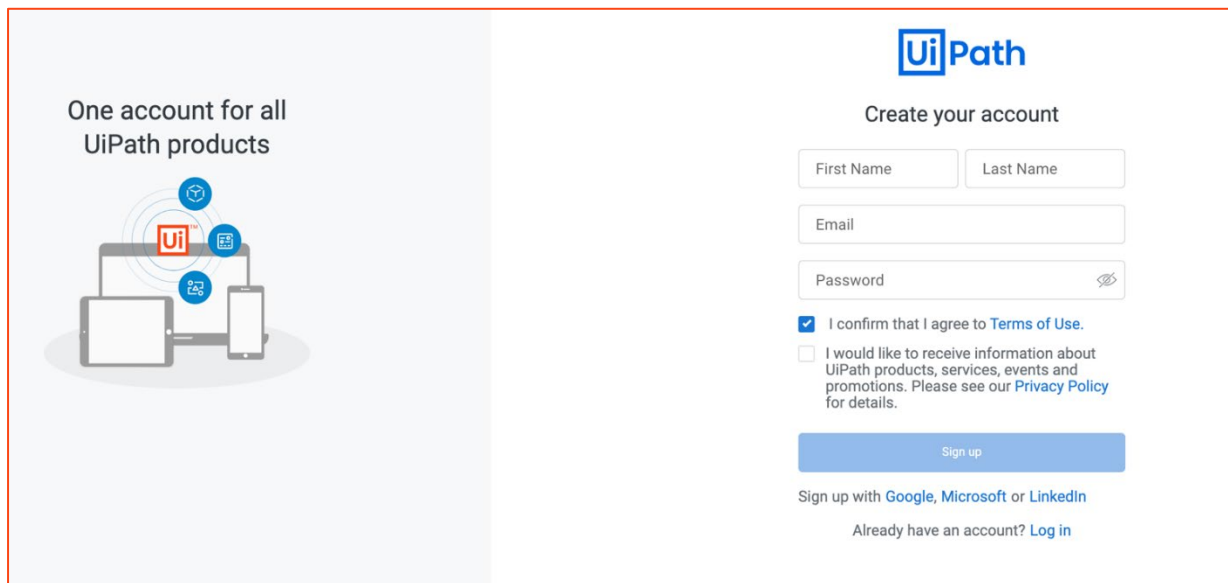

The image shows the UiPath Log In screen. At the top is the UiPath logo. Below it is the text "Log In". There are three social login buttons: "Continue with Google", "Continue with Microsoft", and "Continue with LinkedIn". Below these is a separator line with the word "or". There are two input fields: "Email" and "Password". Below the "Password" field is a link that says "Forgot password?". At the bottom is a blue "Log In" button. Below the button is the text "Don't have an account? Sign up", where "Sign up" is highlighted with a red box.

Step 2: Choose your preferred **Sign up** option and follow the steps when prompted.

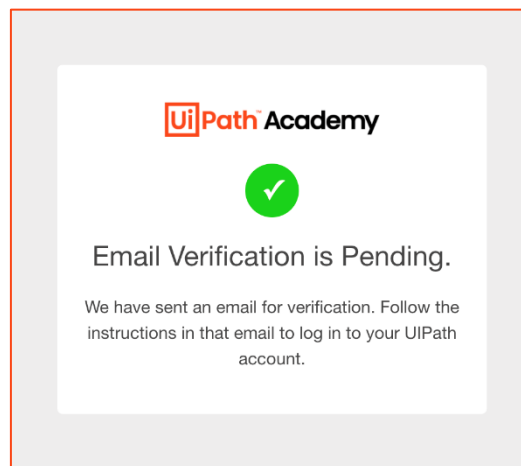

The image shows the UiPath "Create your account" screen. On the left is a graphic with the text "One account for all UiPath products" and an illustration of a laptop, tablet, and smartphone connected by a circular network. On the right is the "Create your account" form. It has the UiPath logo at the top. Below it is the text "Create your account". There are four social login buttons: "Sign up with Google", "Sign up with Microsoft", "Sign up with LinkedIn", and "Sign up with Email". Below these is a separator line with the word "or". At the bottom is a link that says "Already have an account? Log in".

Step 3: If you choose to **Sign up with Email**, fill in the information required:

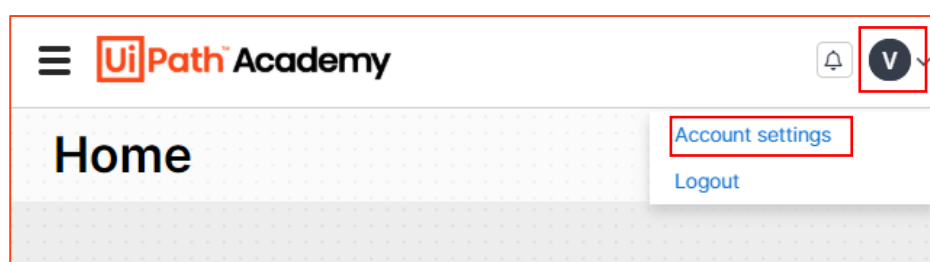

The image shows the 'Create your account' form on the UiPath Academy website. On the left, there is a graphic with the text 'One account for all UiPath products' and icons for a laptop, tablet, and smartphone. The form on the right includes fields for 'First Name', 'Last Name', 'Email', and 'Password'. Below these fields are two checkboxes: the first is checked and says 'I confirm that I agree to [Terms of Use](#)', and the second is unchecked and says 'I would like to receive information about UiPath products, services, events and promotions. Please see our [Privacy Policy](#) for details.' At the bottom of the form is a blue 'Sign up' button. Below the button, there is a link to 'Sign up with Google, Microsoft or LinkedIn' and a link for 'Already have an account? [Log in](#)'.

Step 4: Check the inbox of the email address used in the process for an email from UiPath Platform with the subject “Verify your email”. If you don’t find it, look for it in your Spam folder. Once you find it, click on the link in the body of the email to confirm the registration.

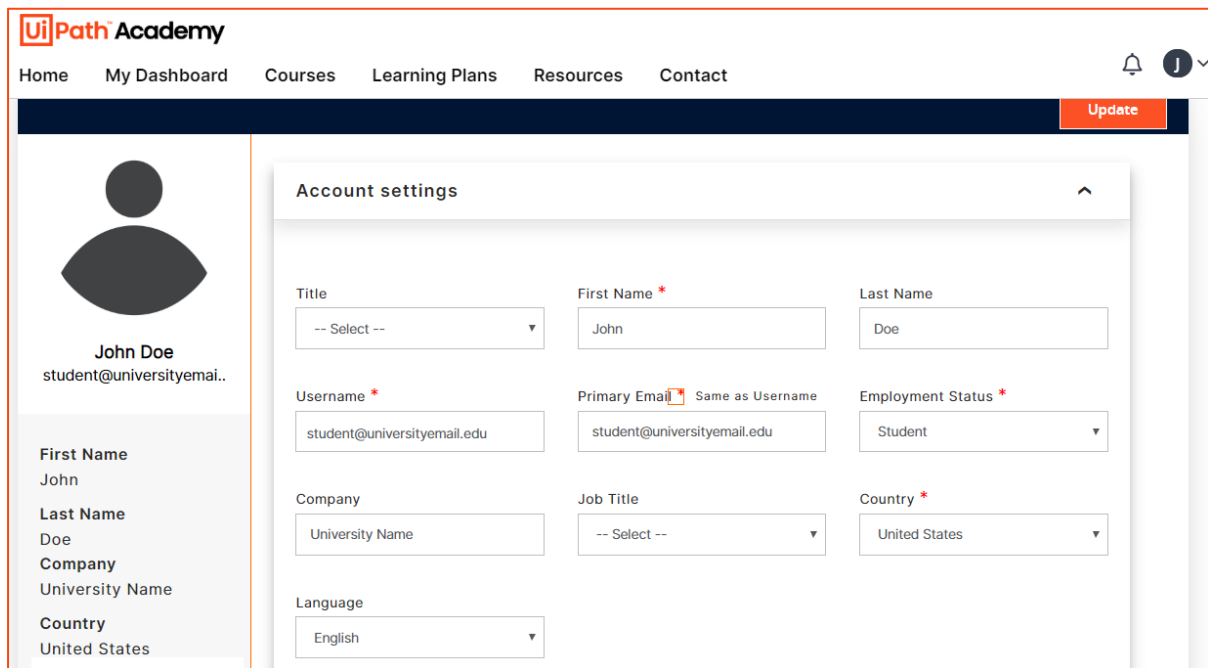

Step 5: After verifying your email address, log into your UiPath Academy account. After you log in, click on the profile icon in the top right corner of your home page and choose the **Account settings** link.

Step 6. Updating profile with University/Institution Credentials & Privacy settings

To ensure your proper online learning on RPA, please update your profile, with the following details:

- Employment Status = Student
- Company = University/Institution Name, as it can be found in the institution drop-down list [here](#), excluding the country (ex: *University of Melbourne*)

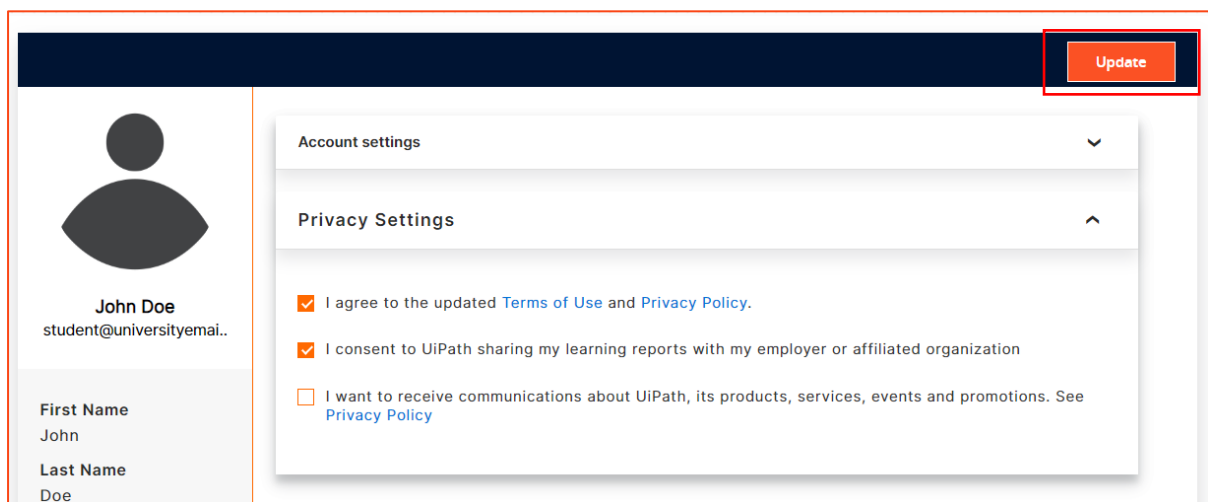

The screenshot shows the UiPath Academy 'Account settings' page. On the left is a user profile for John Doe (student@universityemail.edu). The main form contains the following fields:

Field	Value
Title	-- Select --
First Name *	John
Last Name	Doe
Username *	student@universityemail.edu
Primary Email (Same as Username)	student@universityemail.edu
Employment Status *	Student
Company	University Name
Job Title	-- Select --
Country *	United States
Language	English

An 'Update' button is located in the top right corner of the settings panel.

And under the **Privacy Settings**, please mark the suggested two checkboxes so that your educator can request updates on your online learning progress.

The screenshot shows the 'Privacy Settings' section of the UiPath Academy account settings. It contains three checkboxes:

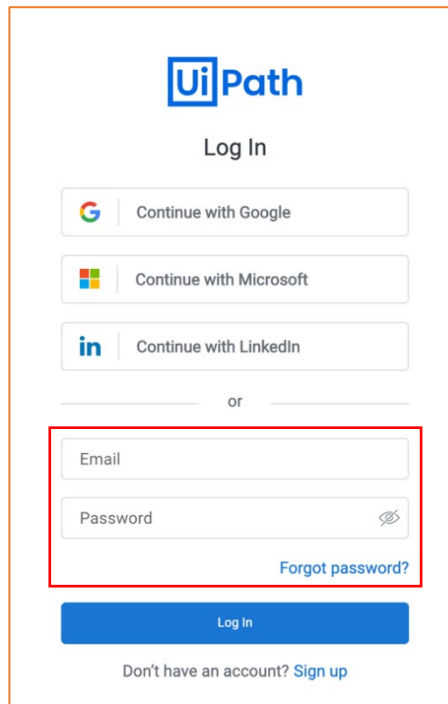

- ☒ I agree to the updated [Terms of Use](#) and [Privacy Policy](#).
- ☒ I consent to UiPath sharing my learning reports with my employer or affiliated organization
- ☐ I want to receive communications about UiPath, its products, services, events and promotions. See [Privacy Policy](#)

An 'Update' button is highlighted with a red box in the top right corner of the settings panel.

Click on **Update** and you're done. Happy learning!

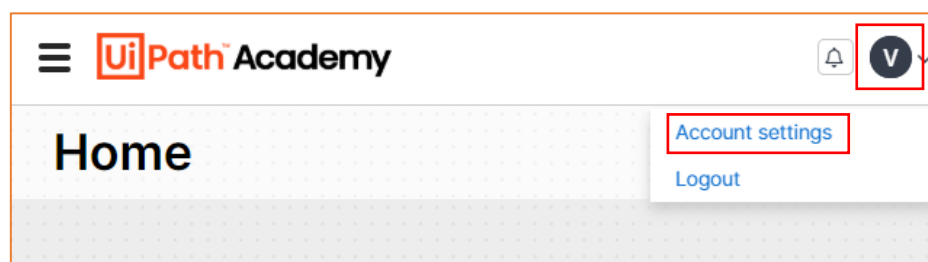

If you already have a UiPath Academy account

Step 1: Enter your credentials or Log in via one of the three Single-Sign-On options.

The image shows the UiPath Log In page. At the top is the UiPath logo. Below it is the text "Log In". There are three buttons for single-sign-on: "Continue with Google", "Continue with Microsoft", and "Continue with LinkedIn". Below these is a red box containing the "Email" and "Password" input fields, a "Forgot password?" link, and a blue "Log In" button. At the bottom, there is a link that says "Don't have an account? Sign up".

Step 2: Log into your UiPath Academy Account to update your Account Settings. Click on the profile icon in the top right corner of your home page and choose the **Account settings** link.

Step 3. Updating profile with University/Institution Credentials & Privacy settings

To ensure your proper online learning on RPA, please update your profile, with the following details:

- Employment Status = Student
- Company = University/Institution Name, as it can be found in the institution drop-down list [here](#), excluding the country (ex: *University of Melbourne*)
